

NO I WOULDN'T RECOMMEND EVP

(POEM)

--by. B. Edwards

No I wouldn't recommend EVP
No I wouldn't recommend EVP
If you go and want to hear voices
Soon enough you may not have these choices
The voices can grow on your ears like a tree

No I wouldn't recommend EVP
No I wouldn't recommend EVP
Those voices can attack
And it's hard to get back
No I wouldn't recommend EVP

No I wouldn't recommend EVP
No I wouldn't recommend EVP
It just might open your ears
To voices every day of the year
No I wouldn't recommend EVP

No I wouldn't recommend EVP
For imprisoned by voices you may be
May sound like a ruse
But just walk in these shoes
No I wouldn't recommend EVP

Just think about the calm in your life
Would you want to deal with voices and strife?
Some voices ain't kind
They can rampage your mind
No I wouldn't recommend EVP
